

## INVITATION

---

## ZACCO AT INFOSECURITY DENMARK 2019

Wednesday, May 1, 2019, 9:00 -  
Thursday, May 2, 2019, 17:00

**Øksnehallen (DGI-byen), Halmtorvet 11, 1700 Copenhagen V**

Welcome to visit Zacco's booth at Infosecurity Denmark! At our stand nr. 200 (close to entrance), you can:

- learn why cybersecurity and intellectual property are intertwined
- understand how Zacco's 360° perspective on intellectual property integrates our cybersecurity and software services
- ask us about the training available at our Zacco academy
- meet our experts and see demos that show practical examples of their work
- gain insights into data forensics and darknet services

## INVITATION

---

Infosecurity is a large trade show that gathers IT executives and specialists to update them on the latest developments within compliance, cybercrime, IoT, enterprise mobility and cloud security.

You can find more information and the programme [here](#). To get your free ticket, please register [here](#). If you register via this link before April 12, you will be granted VIP access if you fulfil Version2's requirements.

If you want to schedule a meeting with our consultants, please get in touch and [drop us a line](#).
