## ZACCO OPEN CTF

Tuesday, April 16, 2019, 17:00 - 21:00

**Zacco, Theres Svenssons gata 13, 41755 Gothenburg**

Zacco wants to challenge your problem-solving skills in a Capture the Flag event! Bring a friend and have fun pursuing your mission. Of course, the best teams will be rewarded with the honour and nice prizes. Consultants from Zacco will be available to answer your questions all evening. Our CTF will this time have a twist towards **forensics**.

### PROGRAM

17:00 – 17:30 Mingle with refreshments and registration

17:30 – 18:00 Welcome and introduction

18:00 – The Capture the flag starts

To ensure your successful participation in the competition, we recommend you bring the following:

- A computer, loaded with your favourite operating system, but some flavour of Linux is recommended. (We will provide USB-sticks with Kali Linux).
- Some knowledge in Linux
- A friend if you want to work in a group (or you can find someone at the event)!

To sign up, please click [here](#) and enter your contact information no later than 12th of April. We look forward to meet you!
